To Whom It May Concern,

I am writing this letter of recommendation on behalf of Graphic Design Instructor Sarah Davis. She is an outstanding teacher who exemplifies professionalism. Sarah has such a passion for art and design, which is evident in her own work. The knowledge she shares with her students is invaluable.

Sarah motivates students to reach their highest potential, working with them one-on-one, and as a group. Portfolio Development is one of the primary classes that Sarah teaches. I can't imagine a better person to teach this class because of her dedication to the students and her love of the Graphic Design Industry. To be better prepared for Portfolio class, she has taken Web classes to hone her own skills and stay current with software developments that occur.

In addition, Sarah is the WIDs coordinator for Graphic Design. She helps the faculty maintain consistency with curriculum and further develop the curriculum at a very high standard. She is a team player who works well with faculty and is there for them whenever the need arises.

Sarah would be an ideal candidate for Master Instructor because of her vast experience and knowledge that should be shared with other departments to help PTI further develop and grow as an institution of higher learning.

Sincerely,

Darrell Bruno

Master Instructor, Graphic Design
